**THERE WILL BE NO NONPAYMENT
WARRANTS ISSUED BY DISTRICT COURT
UNTIL DECEMBER 1, 2018 ON YOUR
FINES.**

Craighead County District Court is still building payment plans in our new computer system. We are asking for patience as we verify balances and make sure current payment plans are given a payment plan number. **We are still open for payments**, but we are not issuing warrants for nonpayment at this time. One of the benefits of our new system is that you can pay online and check your balances.

PAY.ARCOURTS.GOV

If you are paying a ticket.....you will need your **CITATION** number

If you want to pay on payment plan.....you will need your **PAYMENT PLAN NUMBER**

Thank you for your patience,
