

PAYING A TICKET IN DISTRICT COURT

In order to pay a ticket in District Court, you need to contact the Craighead County District Court at 870-933-4581 to find out the correct price of your ticket. See previous screen for estimate of ticket prices.

Most tickets can be paid in full before the court date in which case you would not have to appear in court. If you do not pay your ticket, you are required to appear in court on the date and time specified on your ticket. All tickets have court costs included, whether you appear in court or not, as required by Arkansas law.

Some violations are MUST APPEAR and cannot be paid before court. On these charges, you must appear in court on your designated court date. On your first appearance, you will plead either GUILTY and be sentenced or NOT GUILTY and receive a trial date set by the Judge. Witnesses will be subpoenaed for the trial. Consequently, if you plead NOT GUILTY and your case is set for trial, you are required to appear for your trial.
