

Quorum Court Minutes

09/11/2017

September 11, 2017 Quorum Court Meeting

9 Justices of the Peace Present, Justices Ken Stacks, Jim Bryant, Josh Longmire and Aaron Harris were absent.

Judge Ed Hill called the meeting to order at 5:30pm.

Business for Full Court/Old Business: Circuit Court Clerk, Candace Edwards addressed the court regarding details in having her older deed record books repaired and restored. She has an appointment on September 18, 2017 with Peeler, a company recommended to her to provide an estimated cost necessary to have the books restored. She has an appointment with the Arkansas Historical Society to assess whether the deed books qualify for a state grant.

Craighead County Sheriff, Marty Boyd, updated the court regarding the CSU building site. He informed the court that ASC is donating the property and the only costs necessary for the sheriff's department will be renovation and updating costs. Mr. Boyd reiterated, as in the last Quorum Court meeting that the deadline provided to him by the state was November 15, 2017 to have the new property operational. He further stated that he had informed the state during their initial conversation that the November, 2017 date would not work, to which the State's response was that they understood. Mr. Boyd said that he would have an Operational Plan available by Monday, September 17, 2017 and that he expected the building to be complete operational by January 2018.

The County Road Report for August 2017 was provided to Justices present by Road Superintendent, Eugene Neff. *Please see attached Addendum 1.*
