Justice Josh Longmire requested the Road Department look into a few county roads that are in poor shape.

Justice Barbara Weinstock requested an update on the Election Commission and the county's reimbursement from the state. Justice Stacks responded that the county has received more than \$200,000.00 from the city, schools, and state in election reimbursements. Assistant to the Judge Tony Thomas explained that the billing process begins immediately after each election and any billing issues that occurred in the past should not be expected to happen again.
